ANGELS EXPRESS TRAINS 2014

 Share    

Ride Metrolink's Angels Express to Angel Stadium of Anaheim

Special train service from L.A. Union Station or Laguna Niguel to See Angels Baseball

Beginning March 31, 2014 you can ride the Angels Express from L.A. Union Station or Laguna Niguel/Mission Viejo to all Angels weekday home games starting at 7:05 p.m. on the Orange County Line. For Friday night home games at 7:05 p.m., there is train service from Riverside on the Inland Empire-Orange County line.

Ride to and from Angel Stadium for a very special price - only \$7 roundtrip, \$6 for senior/disabled, \$4 for youth (ages 6 – 18), and free for children 5 and under with a paying adult (up to 3 children). The train takes you straight to the stadium's parking lot so you're just a short walk away. Save money on parking and gas, forget about the crowded stadium parking lot, and leave your car behind! This train service is a joint demonstration project made possible in part by the Clean Transportation Funding from the Mobile Source Air Pollution Reduction Review Committee (MSRC).

Angels Express Fan Friday - April 11

Arrive at the Irvine Metrolink Station by 5 p.m. to celebrate Fan Friday. The first 100 fans will receive a free round-trip Angel Express ticket to the game. There will also be free food and live entertainment. Bring a non-perishable food item donation for the Second Harvest Food Bank of OC and spin the wheel for great prizes and Angels giveaways.

Connections to Metrolink stationsOrange County Stations:

Los Angeles Stations:

The Metro Red Line is subway that goes from North Hollywood to L.A. Union Station. The Metro Gold Line also serves L.A. Union Station, starting in Pasadena.

When planning your trip riding the Angels Express, remember to make sure your bus or light rail route provides service at the time you will be returning to the Metrolink station. The Angels Express train departs 30 minutes after the last out. Assuming that a normal game takes three hours, the train would likely depart around 10:35 p.m., getting you back to your connection between 10:45 p.m. and 11:30 p.m., depending on how far you are going.

NOTE: There is a possibility that the game could run long, making the train departure times unpredictable, so be sure to have a backup plan in case the train arrives after your last bus or light rail train has left.
